Dear Friends,

Welcome to Miami-Dade County, the “Capital-of-the Americas,” where people gather to enjoy and do business, in a beautiful and safe city where everyone feels “at home.” We are honored to host another year of the Miami International Agriculture, Horse and Cattle Show. Attendees at the Show and the Magic City Sale will represent over twenty countries and fifteen states, bringing an exciting cultural melting pot of people to these great events. With high standards, we take great pride in inviting you to view the exceptional offerings in our eleventh annual Magic City Sale catalogue. The quality of the genetic materials and live animals presented is extraordinary. I believe this will be our best auction to date. From all of us here in Miami-Dade County, thank you, thank you very much for your continued support. I look forward to seeing you at the Show and the Sale.

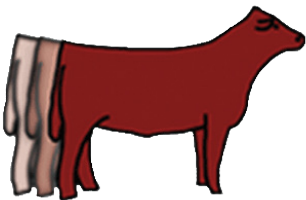

Sincerely,

Javier Souto

Sen. Javier D. Souto
Commissioner, Miami-Dade County, Florida
Chairman of the Event

This sale will be broadcast Live on www.CattleInMotion.com. To view a sale, 1. Click on the sale you wish to bid on. Then scroll to bottom of that page. Click the words click here to bid and watch this live sale. Then if you have already created an account skip to next step. If not, you will need to click

sign up and follow the instructions. Once account is created you will be logged in.

2. Once you are logged in, find the interested sale and click "Request to Bid" and accept the terms and conditions.

3. Once you have been approved for the auction, click "View Lots" to view the online catalog.

4. Once you find the item you'd like to bid on, simply click 'Place Bid'. You'll be able to place a bid at the current minimum bid amount or type a maximum bid. When placing a maximum bid, .

When placing a maximum bid, type the highest amount you are willing to pay for an item and the system will bid the lowest amount required for you to win up to your maximum amount.

5. On auction day, one hour before the auction is scheduled to begin, click "Enter Auction" to watch the live online auction. You will see the video and hear the auctioneer as items are sold.

www.CattleInMotion.com

Dear Brahman Enthusiasts:

I am extremely honored to invite you to the 2022 Magic City Sale that will be held in conjunction with the Miami International Agriculture, Horse, & Cattle Show. This activity will be one that you will want to be a part of that includes quality cattle shows, fellowship opportunities, and this elite sale. I have worked diligently to secure some of the most outstanding genetics from the most recognized breeders in the breed for this prestigious sale. This offering will consist of show heifers, pregnant recipients, embryos, and semen packages from some of the breeds most influential herds.

The American Brahman breed is experiencing one of its all-time highs in demand due to the influence the breed plays in the domestic and international cattle herds. While it is easy to sit back and enjoy this success we should continue to strive to improve and remain competitive. Purchasing proven genetics to incorporate into your program is a great way to ensure continued success. I encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program.

We hope that you are able to attend this event in person. However, if you are not able to be with us the sale will be broadcast live with internet bidding via Cattle In Motion (www.cattleinmotion.com). On the day of the sale, the Pre-Sale Cattle Viewing & International Cocktail Reception will begin at 6:00 PM with the sale starting promptly at 7:00 PM.

If I can provide any additional information for the sale lots or can be of assistance, please feel free to give me a call at 713-202-1747 or contact the consignors directly.

Appreciatively,

Chris Shivers
Sale Manager

Ashworth Cattle & Arms Cattle Co. have teamed up to offer you one of the breeds most proven and popular genetic opportunities. This semen package will be one of the first offered to the public on a son of +Mr. V8 146/8 "Sloan". Not only is BRC Travis 37 a son of the ONLY three-time International Champion sire but his dam, +Miss V8 21/8, was a two-time International Champion Cow and now a proven donor with 40 registered progeny. Due to the superior offspring of the two parents of Travis they have both reached the Register of Renown. It should be noted that the top side of Travis' pedigree (first two generations) will be ALL Register of Renowns creating significant marketing value. A flushmate to Travis, BRC Mr. Boom Box 38, was a sale topper for B.R. Cutrer, Inc. selling for \$73,000 and going on to be a successful show bull accumulating a number of class and division wins. For those who are interested in breeding red & grey cattle Travis should be able to be used both ways due to his dark pigmentation. As you might expect resulting from such superior geentics Travis ranks in the top 10% of the breed for Growth and Ribeye Area making him even more impressive and an ALL PURPOSE SIRE! Selling 3 straws of semen with 3 AI certificates (additional certificates are \$100).

This 90 day pregnant recipient is the result of crossing two of the most successful animals in the breed that should compliment each other both phenotypically & genotypically. The sire is +VL Rojo Apache who has been used successfully worldwide producing champions to include the 2017 International Champion as well as Get of Sire titles at both the National & International Shows. Due to the success of his offspring, Apache entered the Register of Renown with his first calf crop. The donor dam to this mating is Ms. Chaparral 168 who has become popular around the world with already 100 embryos in Thailand and South America. 168 is a daughter of the popular & proven sire +TJF Mr. Smokin Gun and out of CT Lady Lanna Rhineaux who is a daughter of +SRS Mr. Pasco 812 and +CT Lady Rhineaux Ray 8/9 making her a full sister to the famous +CT Lady Pasco Rhineaux. The offspring from this mating should be EXCEPTIONAL! Recipient is located at Rodriguez Cattle Services in Centerville, TX.

Rare Opportunity!! This is one of the first times that semen on the 2009 Reserve National Champion Mr. H Majestic 51/6 has been offered domestically. Not only did this sire exhibit a superior phenotype as validated by his successful show record but he is backed by one of the most proven pedigrees in the breed. His sire is the iconic +Mr. 3H X-Ray 825 who has been used with success around the world with close to 500 progeny registered in the ABBA. The dam to Majestic is one of Heritage Cattle Company's former show winners and foundation donors, +Lady H Ms. Especial 475, who is a maternal half-sister to +Mr. H Red Rhino 765 and the International Champion and Register of Renown Donor +Lady H Charo 302. In addition to his show record and pedigree Majestic will add growth, bone, breed character, and style to his offspring which should complement many of today's Red Brahman cattle. It should be noted that recently Heritage Cattle Company sold an embryo package by this sire for \$2,000 indicating the interest in his genetics. Selling 2 straws of semen with 2 AI Certificates (additional certificates can be purchased for \$100/each).

Proven Mating!!!! As you view this female sexed embryo opportunity there should be several sirens going off. 1. This is a proven mating crossing the genetics of Karu Manso with a daughter of +JDH Mr. Elmo Manso. 2. The mating has resulted in 9 calves that are all good as validated with a show heifer being produced. 3. The dam to this mating is one of the most prolific donors for J.D. Hudgins-Goudeau Division with 67 registered offspring to include show winners, sale toppers, herd sires, and donor dams. 4. The dam to this mating is a flushmate to the many time champion and proven donor +JDH Miss Julia Manso 226/0. You can't go wrong purchasing this package from one of the most renowned operations in the Brahman breed! Selling a package of three (3) female sexed embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

It simply does not get any better!!! The students of the breed will quickly recognize the value in this mating. For those that have heard the names of the sire and dam of these embryos but not real sure of their importance read further. The sire is +SRS Mr. Pasco 812 who was a Reserve National Champion just before being lost to an injury which resulted in limited semen being collected. Due to the success of his first two calf crops Pasco reached the ABBA Register of Renown and produced +CT Lady Pasco Rhineaux who was a National Champion, International Champion and Champion of the World along with two other Register of Renown daughters. The last time that a straw of semen on Pasco 812 was offered it garnered \$11,000. The dam to this mating is the National Champion, Reserve International Champion, and ABBA Show Cow of the Year, CT Lady Lacey Rhineaux. It should be noted that Lacey is the result of crossing the #1 Overall Register of Renown Bull & Cow and that her dam +CT Lady Rhineaux Ray produced the above mentioned +CT Lady Pasco Rhineaux with +SRS Mr. Pasco 812 making this a similar mating but enhanced with +Mr. V8 380/6. This embryo package is the kind that could immediately put your program on the map! Selling a package of three (3) embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

Same genetic make up as +CT Lady Pasco Rhineaux! The dam to this embryo package is Miss B-F 140/9 who is a flushmate to the legendary +CT Lady Rhineaux Ray 8/9 who was a two-time National Champion, International Champion, & ABBA Show Cow of the Year and now #1 Register of Renown Cow. 140/9 was shown successfully and sold in the International Brahman Sale prior to going into production. Mark Jolly has taken this flushmate to the MOST influential cow in the breed, 8/9, and mated her to the Reserve National Champion and proven sire of champions +SRS Mr. Pasco 812. This same mating created +CT Lady Pasco Rhineaux who was a National Champion, International Champion, ABBA Show Cow of the Year and in 2020 produced the Reserve International Champion Red Female. This genetic combination is rare and subsequently extremely valuable. Take advantage of this opportunity! Selling a package of three (3) embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

The cat is almost out of the bag -literally! You read it right that Jones Farms is selling a female sexed pregnant recipient that will have her calf any day now. The sire to this heifer calf is the original (+)JDH Karu Manso 800 who has done it all: National Champion, International Champion, sire of champions and breed influencers, Vanguard Sire, and multi-trait leader for performance. The dam to the resulting calf is JDH Lady Dawn Manso 615/4 who has been a proven producer for Moreno Ranches, Jones Farms, and Ward Cattle Company. Lady Dawn is a daughter of the National Champion and global icon +JDH Mr. Elmo Manso. The crossing of the influence of Karu and Elmo has been one of the most proven matings for producing superior phenotypes and breed leading performance. It will be exciting to see the result of this mating! The recipient is at Jones Farm in Finger, Tennessee.

Want to be a leader in producing POLLED RED BRAHMANs??? There is not a better opportunity than this superior mating. In November KI Cattle Company purchased Miss HMC Polled 103/1 (PP) a HOMOZYGOUS POLLED female meaning that 100% of her calves even when bred to a horned bull will be POLLED. 103/1 is sired by LMC LN Polled Pappo 136/6 (PP) one of the top red polled sires in the breed as a result of the success of his offspring in the show ring and in the pasture. The dam to 103/1, Miss SRS Polled Katie (P), is an influential donor who produced Miss HMC Polled 42/1 (P) a "cash cow" for David Lawrence and Mr. HMC 111/1 (P) a herd sire that headlined the HM Cattle Co. Online Sale fetching \$20,000. To create these embryos Miss HMC Polled 103/1 (PP) was mated to the HOTTEST red sire in the breed due to the success of his progeny and exclusive genetics, +TJF Mr. Smokin Gun 109/7. The resulting progeny from this cross should be POLLED, RED, and an OUTCROSS to many of today's popular bloodlines. Selling a package of three (3) embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos an additional embryo will be given.

KI Cattle Company is always on the cutting edge and produces some of the most proven and popular matings in the breed. Once you study this one you too will agree! The dam to this embryo package is a former show heifer and now proven dam that is sired by the #1 Register of Renown Sire +Mr. V8 380/6 and out of the dam to the many time champion, performance trait leader, and proven sire +Mr. V8 442/6. Miss V8 866/7 has been used by La Muneca Cattle Co. to produce two herd sires and KI Cattle Company has a show heifer that has turned many heads. KI Cattle Company mated the powerful dark pigmented 866/7 to +TJF Mr. Smokin Gun 109/7 who is one of the most popular sires in the breed today due to the success of his offspring which has driven his semen value to over \$9,000/straw. It should be noted that BOTH the 2022 International Champion and Reserve Champion Females were daughters of Smoking Gun. The genetics don't come any more proven! Selling a package of three (3) embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

Lawrence Cattle Company has been one of the most aggressive breeders since their entry into the breed. They have purchased some of the most superior cattle, shown them successfully, mated them with proven genetics, and let the good ones be sold. Everything just described sums up this embryo lot. The dam to these embryos is CT Ms. Anna Rhineaux 8/7 who was a many time champion and now a proven donor with offspring accumulating wins in the United States and Thailand. Anna is a daughter of +Mr. V8 458/7 "Noble" who sired more winners from 2017-2021 than any other sire and out of the #1 Register of Renown Cow in the breed +CT Lady Rhineaux Ray 8/9. The sire to this embryo package is +TJF Mr. Smokin Gun who is in high demand due to the continued success of his offspring and limited semen offerings. NOTE: The embryos being sold are genetically the same to BOTH the 2022 International Champion and Reserve Grand Champion Females – Smoking Gun X Noble X 8/9. Don't miss this exclusive opportunity! Selling a package of two (2) embryos.

Lawrence Cattle Company is offering a female sexed pregnancy from one of their most proven matings. The sire of the pregnancy is the popular Australian Homozygous Polled bull Nioka Pablo. This outstanding sire has been widely used in Australia with some of his first calves averaging over \$25,000 at the 2021 Rockhampton Brahman Week. Nioka Pablo has taken the United States by storm due to him producing a POLLED calf every time, his outcross pedigree, and the quality of his progeny. The dam to this mating is the Lawrence Cattle Company leading double polled donor Miss HMC Polled 42/1. Due to the success of her progeny LCC has more than three times generated the money that they paid for 42/1. It should be noted that a maternal half-sister to 42/1 sold for \$30,000 at the National Brahman Sale and 1/2 interest in a maternal half-brother sold for \$20,000 indicating the demand for these genetics. This female sexed pregnant recipient is due in September 2022 and is located in Center, Texas.

When we did this mating the logic was to produce a POLLED Red Female out of a proven daughter of +TJF Mr. Smokin Gun 109/7. The sire to this embryo package is LMC LN Polled Pappo 136/6 who we think is the top HOMOZYGOUS POLLED RED SIRE in the breed. We have been fond of Pappo since he won his first banner as a calf in San Antonio and watched his stellar show ring success. Not only did Pappo have a great show career but his offspring are on fire winning titles and topping sales. The dam to the resulting heifer calf is Moreno Ms. Lady Right On who was shown successfully by the Maheu Family in Florida before being donored by them and us. This daughter of +TJF Mr. Smokin Gun and out of the matriarch of Moreno Ranches +-GS Ms Mulhim Manso 314 has been an outstanding producer with her offspring averaging over \$12,000 to breeders in the United States and Thailand. The work has been done! You should expect a POLLED, RED, and GENETICALLY SUPERIOR FEMALE in September of 2022. Female sexed pregnant recipient is located at Trans Ova Genetics in Bryan, Texas.

If you follow our program you have seen the success of Moreno Ms. Lady Right On 224/1. We purchased this daughter of +TJF Mr. Smokin Gun X the Moreno Ranches matriarch donor +-GS Ms. Mulhim Manso after a successful show career. We immediately aspirated her and fertilized with +WCC Maximus Rojo of which the calves have been outstanding averaging over \$12,000. We have worked 224/1 with a number of other bulls but the reason that we mention Maximus is this mating is by his top son to date Mr. CBR 667/8 "Cutter" of which we would expect similar results. For those that might not be as familiar "Cutter" was the 2020 National Champion and 2021 International Champion Red Bull. We are extremely excited about this mating and look forward to the recipient that we are retained to have her calf at the same time as this one in September 2022. Female sexed pregnant recipient is located at Trans Ova Genetics in Bryan, Texas.

Moonshine Red Brahman is offering an embryo package on their proven donor HK Miss Garota Visa 996. This proven female is one of the top in the breed due to the success of her progeny, the large numbers of embryos produced and her pedigree. HK Miss Garota Visa 996 is sired by HK Visa Brasil and out of a female that is double bred +3X Torgsons Red Dynasty who is the sire of +3X 40/2, 3X 30/2, 3X 20/3 and whose genetics are rarely available. 996 is a proven producer as validated by one of her daughters racking up a number of championships over the past year, 11 offspring going to Thailand or South American and her progeny averaging \$9,700 on 5 head in a recent sale. To enhance this embryo package is the sire HK Mr. America 280 who is the result of crossing the +TJF Mr. Smokin Gun 109/7 with the dam of the globally proven sire +HK Magnetic. Due to the proven production and popularity of 280 a pick of his calves brought \$22,800 in a recent online sale. Study this female sexed embryo package as we think that it will be legendary resulting from these superior parents! Selling a package of three (3) female sexed embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

Full Sibling to the 2022 International Calf Champion!! As you might expect with Moreno Ranches serving as one of the hosts for this event they are offering their best! Just a month ago Moreno Ms. Lady Ricache 192/3 was named as the International Calf Champion. Not only is she already earning purple banners but she has the genetic backing to be a big time donor dam for Moreno Ranches. Ricache is a daughter of +Moreno Mr. Rock Star 625 who has been one of the most proven sires of the past two years having already entered the Register of Renown as well as his offspring topping sales due to their superiority. If you get excited about the top side of this pedigree you will have to appreciate the dam to this genetic opportunity. Moreno Ms. Lady Reba Victoria is one of Moreno's top young donors who in 2021 alone produced 14 registered offspring. She is a daughter of +Mr. V8 380/6 who ranks as the #1 Overall Register of Renown Sire and out of the National Champion, Reserve International Champion, and proven donor +Moreno Ms. Lady Reba 112. The breeders who are looking for the ALL AROUND animal will appreciate that this genetic mating is backed by a uniform genetic profile that charts positive for BW, WW, YW, and Milk. Don't miss this proven opportunity. Selling a female sexed pregnant recipient that is due October 19, 2022. The recipient is at Moreno Ranches in Marlin, Texas.

Redsmith Genetics has dug deep and selling a show heifer that has already been hauled and ready for any junior or progressive breeder. Redsmith Jess Manso 26/1 is sired by their proven herd sire co-owned with Heritage Cattle Company, Mr. H Titus Manso 122/7. This great sire has gained interest from all who have seen him due to his superior build but more importantly proven and exclusive pedigree. Titus is sired by +JDH Mr. Manso 854/4 who sired champions around the world and out of +Lady H Principe Sweet Manso who has produced 45 offspring with many of them being breed influencers. The dam to Jess is a scurred female that was purchased from HM Cattle Co. that Redsmith is now using in their IVF program. Miss HMC 36/1 (S) is by LMC Polled Madison 133/0 who has sired many of the top performers in the ABBA Bull Test, donors for a number of operations, and most notably Polled Pathfinder. As you might expect from an outstanding heifer with such superior genetics Jess ranks in the top 15% of the breed for both Milk & Marbling EPD's adding additional production value

Gentle, powerful, and getting better by the day would be the way to best describe this halter broke red Brahman show heifer. Miss RHR K Brand 2/21 is just an August baby but has the right pieces to be a good one as she is heavy structured, deep ribbed, long bodied, and feminine. Of course, it's easy to get hung up on one that is this attractive but study her pedigree. She is sired by +VL Rojo Apache 1/50 who with his first calf crop sired a National & International Champion Get of Sire and an International Champion Female. The Apache offspring have been named champion a number of times around the world which has increased his semen value to \$2,500/straw. The dam to this outstanding dark RED heifer is Miss Fontenot 321 who is sired by +Mr. B-F Iron Man 55/7 and out of a granddaughter of +HK Magnetic. It should be noted that 321 has produced a show winning bull and the Smith Brahman's 2020 International Sale consignment validating her abilities. No matter if you are looking for a show heifer or a breeding piece don't miss this one!

WOW is all that you can say about this genetic opportunity! To get a true picture of the results of this mating study ECC K-K Polled Kylie 733 who was a many time champion including being named the Reserve Grand Champion of the 2019 Rio Grande Valley Livestock Show. It should also be noted that Kylie's first natural calf was a many time winner validating her production. The sire of this embryo package is +JDH Mr. Manso 840 "The Graduate" the 2014 National Champion. 840 has been one of the most proven sires around the world with offspring accumulating championships which helped place him in the ABBA Register of Renown and recognized as the sire of the most champions at the All American National Junior Show. The dam to this female sexed embryo package is LMC LF Polled Elma 214/4 who ranks #4 for number of polled registrations in the ABBA. This prolific dam has produced numerous show winners, two known herd sires, sale toppers, and herd influencers. It should be known that Elma is extremely fertile as validated by her average on four aspirations done by Sandglass Ranch with reverse sorted semen of 79 oocytes that convert to 31 embryos. This is as proven as it gets! Selling a package of three (3) female sexed embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

South Florida Brahms is offering you a proven opportunity! Selling is a January 29, 2022 heifer calf with her recipient. The sire to this OUTSTANDING heifer is +BB Sting Ray 10/0 a many time champion during his show career which culminated into him being named as the 2003 National Champion and ABBA Show Bull of the Year THREE times. Not only did Sting Ray do his share of winning but he was a proven herd sire with 299 registered progeny and numerous winners which earned him the #2 Overall Red Sire position in the ABBA Register of Renown. The dam to this calf is +CT Lady Pasco Rhineaux who was a National Champion, International Champion, and Champion of the World. Not only was Pasco a champion but is now a proven donor with a Reserve International Champion daughter to her credit (sired by +3H X-Ray-the sire of Sting Ray). Of importance is that Lady Pasco is a daughter of the #1 Register of Renown Cow, +CT Lady Rhineaux Ray, and +SRS Mr. Pasco 812 who has a former Reserve National Champion, died an early death with limited genetics preserved, and one of the most popular bulls of today. The work is done! The buyer will make arrangements with South Florida Brahms to pick up the calf and recipient. The new buyer can register and name the calf. South Florida Brahms is retaining two aspirations at the buyers convenience when she is of age.

Genetic opportunity that combines two of the most iconic animals in the Brahman breed! +Mr. Winchester Magnum was not only a National & International Champion but accumulated enough show points to be named ABBA Red Show Bull of the Year two-times! Of course, his show record is impressive but the impact that he has produced around the world siring numerous champions propelled him to the #1 Red Bull in the ABBA Register of Renown. The dam to this mating is +CT Lady Pasco Rhineaux 1/13 the National & International Champion who was also named "Champion of the World". Not only was Pasco a many time champion but now a proven donor producing the 2020 International Reserve Grand Champion Female. It should also be noted that a pregnant recipient from this same mating fetched \$16,000 from SG Cattle Services in Thailand and in the recent National Brahman Sale a pick of two of her embryo calves garnered \$26,000 further validating her popularity and producing ability. Pasco is a daughter of the #1 ABBA Register of Renown Female, +CT Lady Rhineaux Ray 8/9 and as indicated by her name is sired by +SRS Mr. Pasco 812 who has been one of the most proven and popular sires in the breed. Selling a package of three (3) embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

First Time Offering!!! In this sale you have read and heard so much about the importance of +CT Lady Pasco Rhineaux. This female is very important as she was a many time winner with National, International and Champion of the World titles to her credit. In addition, she is a proven producer with a daughter who was named as the 2020 Reserve International Champion. What you might not know is that Lady Pasco has a flushmate brother, Texas Rhineaux. This powerfully built, deep ribbed, heavy muscled, long bodied and attractive bull is a son of +SRS Mr. Pasco 812 who was a former Reserve National Champion but unfortunately was lost at an early age with limited genetics preserved. Today Pasco 812 is one of the most proven and popular sires in the breed with his semen value exceeding \$11,000/straw. The dam to Texas Rhineaux is the two time National & International Champion and ABBA Show Cow of the Year, +CT Lady Rhineaux Ray 8/9, who is now a proven producer as validated by her reaching the #1 spot in the ABBA Register of Renown. Thus far only 17 calves have been registered by this sire with 3 of them being in Thailand. There has been a daughter of Texas Rhineaux shown successfully by Sorrel Panaro indicating his siring ability. Take advantage of this special offering! Selling 5 units of semen with 5 AI certificates (additional certificates can be purchased for \$100 each).

Kyle Smith at Southern Hills Cattle has always been known to assemble some of the most proven matings and this package of female sexed embryos is no exception. As you view this opportunity you quickly recognize that they are sired by (+)JDH Karu Manso 800 who is one of the most influential sires of all time with 1,439 progeny registered in the United States. The use of this sire even at 28 years of age is deserved due to him being BOTH a National & International Champion, a proven sire of champions, a Vanguard Sire, and a multi-trait leader for performance. To enhance this package is the dam JDH Lady Juana Manso 180/2 who is sired by JDH Wellington Manso one of the most influential sires in the breed who just a few years ago sired more champions at the Colombian World Brahman Congress than any other sire. The dam to Lady Juana is a proven donor with 27 progeny to include two Maternal Merit daughters and combines the influence of two Vanguard Sires: (+)JDH Datapack Manso and (+)JDH Copano Manso. As an added bonus the resulting offspring should be extremely performance-oriented ranking in the top 2% of the breed for Marbling, 10% for Growth, 13% for Ribeye Area, and 1/2 for Milk. Don't miss the opportunity to add this 100% J.D. Hudgins pedigree to your herd!

Selling a package of three (3) female sexed embryos with a guarantee of one (1) 90 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos one additional embryo will be given.

Proven Genetics!!! TF Lady Scarlet is a flushmate to the 2022 International Intermediate Champion, TF Polled Lady Kashmir. There is no doubt that this is a proven mating but it should not be surprising based on the success of the parents. The sire to Scarlet is Mr. V8 733/7 "Polled Phenom" that has done such a great job for La Muneca Cattle Co. and many others who have used him. "Polled Phenom" is a full brother to +Mr. V8 458/7 "Noble" who has sired more winners than any other bull over the past four years. The dam to Scarlet is Moreno Ms. Lady Karen "Kiki" who was a many time show winner for the Tomlinson Family. "Kiki" is sired by +JDH Mr. Kabram Manso and out of a Register of Renown daughter of +JDH Impression Manso two of the most influential Register of Renown Sires for Moreno Ranches. It is easy to get carried away on the genetic superiority of Scarlet but study her amazing phenotype that is heavy structured, huge middled, thick ended and combines all of this in an attractive package. As a bonus Scarlet is SCURRED and ranks in the top 10% of the breed for the Growth traits. Although Scarlet can continue to be shown her true value is going to be as a corner stone breeding piece!

(+) JDH KARU MANSO 800

MISS V8 170/6

+ JDH MR ELMO MANSO

JDH LADY GRETA MANSO

Miss Ward 52 Ollie is a proven show heifer that combines pedigree, performance, and phenotype. There is a lot to appreciate about this red tinged, big boned, long, level, and feminine made female. Not only is Ollie attractive but she comes backed by a breed leading pedigree being sired by the J.D. Hudgins, Inc. show, bull JDH Mr. Manso 122/1, who combines the Register of Renown Sire +JDH Mr. Manso 638 "Sir Richard" and one of the most productive cows on the J.D. Hudgins, Inc. Ranch. The dam to Ollie is the result of the signature cross combining the #1 Register of Renown Sire +Mr. V8 380/6 with a proven daughter of the National Champion +JDH Mr. Elmo Manso. It should be noted that Ollie charts positive for 12 of the 16 measured performance traits making her the TOTAL package. If you are looking for a female that is haltered and ready to hit the show ring or the donor pen mark Ollie as a MUST have!

Sire: Mr. V8 794/7

MISS V8 708/5

Don't miss this opportunity to add the genetics of a POLLED female that has garnered MUCH attention this past year while on the show road due to her eye appeal, superior build, and proven pedigree. ECC Polled Rio Queen 433/0 is a beautiful dark pigmented, moderate framed, deep ribbed, heavy structured, and thick ended female. Not only does 433/0 have a great look but is backed by a proven and popular polled pedigree. She is sired by Mr. V8 794/7 who combines the genetics of the Reserve International Champion and Register of Renown Sire +Mr. V8 191/7 and Miss V8 510/6 who is also the dam to Mr. V8 279/7 and Miss V8 100/6 (Dam of Noble). The dam to 433/0 is the proven donor who ranks #4 all time for registered polled progeny, LMC LF Polled Elma 214/4 (embryo package sells as lot 20). Elma has produced 38 offspring to include herd sires, donor dams, and top sellers. It should be noted that a full brother to 433/0 recently sold for \$20,000 and a full sister was a feature in the England Cattle Company Sale last Spring bringing \$10,000 to Salinas Ranch & Swallow Fork Ranch. Don't miss this OUTSTANDING genetic opportunity!! Selling one aspiration with a guarantee of six transferable embryos with the work to be done at an agreed-on location.

Sale Terms & Conditions

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder.

TERMS: ALL SALES ARE FINAL. All cattle will be paid for immediately after the sale. Checks must be made payable to Infinity Cattle Services.

DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

HANDLING: As their sale is affected, all animals will be maintained at the purchaser's risk.

REGISTRATION CERTIFICATES: The sale management will transfer the registration certificate to the new owner's membership with the American Brahman Breeders Association within 30 days of the sale.

GENETIC LOTS: Genetic lots will be released to the buyer when payment has been received.

BREEDERS GUARANTEE: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Open females will be guaranteed by the seller to be a breeder for a maximum of one year following the sale date or for young heifers until they reach two years of age. If an animal fails to breed during the previously established time limit, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a nonbreeder, an animal of comparable rank or credit on the purchase of another animal will be offered.

HEALTH: All necessary health papers will be furnished in order for the cattle to be shipped anywhere in the United States. Any international shipments and protocols will be the responsibility of the buyer.

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the sale do so at their own risk and the consignors and sale manager assume no liability, legal or otherwise, for any accident that may occur. The sale management accepts no liability for the animals after they are sold.

CONTRACT: The above terms and guarantee shall constitute a contract between the buyer and the seller of each animal sold.

TRANSPORTATION: It is the responsibility of the buyer to make all shipping and transportation arrangements. Transportation services will be offered the day of the sale.
