SATURDAY, MARCH 2 – MOVE OUT

Welcome

We are extremely honored to invite you to the 2023 National Brahman Sale that will be held in conjunction with the National Show. This Brahman activity will be one that you will want to be a part of that includes quality cattle shows, fellowship opportunities, and this elite sale.

The sale committee has worked diligently to secure outstanding genetics from the most recognized breeders in the breed for this prestigious sale. This offering will consist of show heifer prospects, an exposed heifer, an aspiration, embryo lots, and semen that combine some of the breed's most elite genetics. We greatly appreciate the generosity of the consignors who are graciously donating 100% of the proceeds from this sale to defray the costs of the ABBA 100 Year Celebration.

The American Brahman breed is experiencing a strong demand due to the influence the breed plays in the domestic and international cattle herds. While it is easy to sit back and enjoy this success we should continue to strive to improve and remain competitive. Purchasing proven genetics to incorporate into your program is a great way to ensure continued success.

We encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program.

As in past sales, we have videoed the offerings for further inspection of the cattle. The videos and sale catalog can be viewed at www.brahman.org and www.cattleinmotion.com. If you are not able to attend the sale in person, we encourage you to view and bid online with Cattle In Motion.

On the day of the sale, the Pre-Sale Cattle Viewing will begin at 5:00 PM, followed by the Welcome Dinner at 6:00 PM, and the sale will start promptly at 7:00 PM. All of the sale activities will be held at the Brazos County Expo Center (the same venue as the show).

If we can provide any additional information for the sale lots or can be of assistance, please contact the consignors directly or reach out to the Sale Manager Chris Shivers at 713-202-1747.

Sincerely,

2023 National Brahman Sale Committee

TERMS & CONDITIONS

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder.

TERMS: All cattle will be paid for immediately after the sale. Checks must be made payable to the American Brahman Breeders Association.

SPECIAL TERMS: Due to this being a video sale not all of the consignments will be at the sale venue. If the purchased animals are not at the sale venue and able to be picked up immediately the seller will maintain the animal at no cost to the buyer for 10 days. Unless other arrangements are made between the buyer and seller after the 10th day the seller will begin charging the buyer \$5.00/day for care.

Animals that are sold for export must be paid for at the time of the sale. It will be the responsibility of the purchaser of these cattle for export to make arrangements with the seller for the care of the animal after the sale. The National Brahman Sale will place the cattle in the care of the consignor for the new owner at the price of \$5.00 per head per day (paid by purchaser) until they are shipped.

DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

HANDLING: As their sale is affected, all animals will be maintained at the purchaser's risk.

BREEDERS GUARANTEE: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pregnant cows are considered breeders without further guarantee. If an animal fails to breed

after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank or credit on the purchase of another animal will be offered.

HEALTH: Standard health certificates will be provided to the buyer. If animals are purchased for export the additional testing and health certificates are the responsibility of the buyer.

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the sale do so at their own risk and the National Brahman Show and Sale and sale manager assume no liability, legal or otherwise, for any accident that may occur. The International Brahman Sale accepts no liability for the animals after they are sold.

CONTRACT: The above terms and guarantee shall constitute a contract between the buyer and the seller of each animal sold.

TRANSPORTATION: Transportation of cattle can be arranged.

**THERE IS NO QUESTION THAT THE ATTRACTIVE BUILD OF
MISS BER PRECIOUS 909 DREW YOUR ATTENTION!**

There is so much to appreciate about this big bodied, heavy structured, beefy, long, level, and attractive female. Not only is Precious built right but she is backed by some of the most proven genetics in the breed.

The dam to Precious is +Miss BER 308 "Pearl" who would have to be considered one of the top Bulls Eye Ranch donors with 22 registered progeny to include 7 show point earning daughters with one of them recently winning a class at the International Show and her Embryo Produce of Dam placing 2nd.

The sire to Precious is Mr. BER 272 who was a successful show bull and now a proven sire with many of the Bulls Eye Ranch winners of the past two years to his credit. To complete this already impressive package Miss BER Precious 909 is progressive in her genetic profile being low Birth Weight, moderate for Growth, and ranks in the top 1% of the breed for Marbling EPD making her a valued breeding piece.

MISS BER PRECIOUS 909 SELLS EXPOSED SINCE 9/25/2023 TO THE 2017 NATIONAL CHAMPION +MR. BER 427 "TRUMP". IF SHE IS NOT BRED AT SALE TIME SHE CAN GO BACK TO BULLS EYE RANCH UNTIL CONFIRMED PREGNANT.

**MISS CIRCLE F 980/3 IS A HALTER BROKE
AND READY TO SHOW 7 MONTH OLD HEIFER.**

You certainly have to appreciate the overall attractive design of this female that is ultra-feminine, long, level, deep ribbed, thick ended, and adequate in her bone. This female comes backed by a pedigree that combines some of the top genetics from J.D. Hudgins, Inc.

Her sire is a son of JDH Jene Manso who is one of the most proven J.D. Hudgins sires most notably siring JDH Massai Manso and +JDH Turkana Manso and then out of the proven donor with 30 progeny to include +JDH Sir Leon Manso 776/6.

BW	1.7	WW	27	YW	42	MILK	5
----	-----	----	----	----	----	------	---

The dam to Miss Circle F 980/3 combines some of the most maternal lines of J.D. Hudgins, Inc. to include JDH Mr. Manso 232/2 and the National Champion +JDH Mr. Elmo Manso.

As you might expect from a progressive operation such as Circle F Farms 980/3 is moderate for Birth Weight and ranks in the top 1/3 of the breed for Growth and Ribeye Area EPD's.

No matter if you are looking for a show heifer or a cornerstone breeding piece Miss Circle F 980/3 will fill the bill!

+HK PASSPORT IS ONE OF THE LEGENDARY SIRES OF THE BREED!

A book can be written about the success of this sire and the influence that he has played around the world. In the United States he has 536 registered progeny that includes 6 Register of Renown offspring and NUMEROUS champions. One of the most notable offspring of Passport is +Winchester Magnum 999/3 who was a National & International Champion and three-time ABBA Show Bull of the Year. The real testament to Passport is that after 29.5 years since his birth he is as popular and relevant today still ranking in the top 15% of the breed for

growth. With the use of this sire it would be expected that you will get growthy cattle that are big boned, deep ribbed, and heavy muscled. Passport has been bred to grey or light-colored cows and still produces red calves. It should also be known that Passport works extremely well on the +3H X-Ray 825 line.

**DUE TO LIMITED SEMEN REMAINING ON THIS LEGENDARY SIRE,
+HK PASSPORT 777, THIS IS A VALUABLE OPPORTUNITY!**

Selling 2 straws of semen with 2 AI certificates. Additional certificates can be purchased for \$250 each.

**WOW IS THE FIRST THING THAT YOU THINK
WHEN YOU SEE JDH INGRID MANSO 584/8!**

When you ask the ABBA President for a donation to fund the organization's 100 year celebration you can be rest assured he will offer his best! There is a real WOW factor when you see JDH Ingrid Manso 584/8 due to her phenotypic superiority being heavy structured, deep bodied, thick ended, long, level, super feminine, and well pigmented.

Ingrid comes straight from the showbarn and is by a young herd sire for the J. Forgason Division that results from crossing +JDH Turkana Manso, who received the Grand Champion Get of Sire title in 2022, and out of a young daughter of the International Champion JDH Hawk Manso 666/5.

The dam to Ingrid is a regular calving daughter of JDH Mr. Todd Manso who is one of the most performance-oriented sires in the breed. As you might expect of a female that is backed by some of the most proven but outcross genetics from the legendary J.D. Hudgins, Inc. program Ingrid is progressive in her genetic profile with a moderate Birth Weight, top 15% ranking for Growth (WW,YW), extreme in her Milk EPD, and top 25% ranking for Ribeye Area EPD.

OFFERING CHAMPION RED BRAHMAN GENETICS THAT ARE OUT OF THIS WORLD! KF Ms. Rita Rojo 134 was a successful show cow accumulating every major championship to include being named as the 2021 International Champion and 2021 National Champion which led her to being the ABBA Premier Red Show Cow of the Year and Miss Brahman World. This red, moderate framed, deep ribbed, beefy, heavy structured, and well balance female is sired by +BB Mr. Sting Ray 10/0 who was the 2003 National Champion, three time ABBA Show Bull of the Year, and sire to over 329 progeny to include numerous winners which earned him the #2 Overall Red Sire position in the ABBA Register of Renown. The dam to "Repeat Rita" was many time champion but more importantly a proven

BW	4.6	WW	25	YW	46	MILK	4
----	-----	----	----	----	----	------	---

donor with 37 progeny to include multiple show winners which helped her reach the ABBA Register of Renown. For the progressive breeders looking for an opportunity to not only add the genetics of a champion cow with a proven pedigree to their herd study the genetic profile of Rita that charts positive for the valuable traits of Growth, Ribeye Area, and Marbling. **SELLING AN ASPIRATION - IVF Procedure Terms:** The IVF Procedure comes with a guaranteed minimum of 3 transferable embryos. The buyer will receive all additional embryos from the procedure, if any. The buyer is responsible for all procedure costs as well as any related expenses. All procedures must be performed at Trans Ova Genetics; otherwise, the guaranteed minimum will be voided. If reverse sorted or sexed frozen semen is used for fertilization, the guaranteed minimum will be voided. In the event that the minimum of 3 embryos is not met, the seller will provide additional embryos to meet the guarantee.

La Muneca – Flores Cattle Co. are generously donating this exciting FEMALE SEXED EMBRYO Package. You are likely asking yourself, “how can this get any better?”

The dam to these embryos is the HOMOZYGOUS POLLED LMC LF Polled Spirit 185/7 who enjoyed a successful show career and is now considered one of the “best females” ever raised by La Muneca-Flores Cattle Co. Following her successful show career an exclusive Australian embryo interest was sold to Brett Nobbs of Nobbs Cattle Company.

LMC LF Polled Spirit is out of the 2016 Reserve International Champion and Register of Renown Donor Dam +LMC Polled Passion 55/4 and by +Mr. V8 279/7 who is one of the most popular polled sires around the globe.

EXCLUSIVE OPPORTUNITY!!!

La Muneca-Flores Cattle Co. produced these embryos with the popular sire Mr. MCC Polled Smoke 14/9 (P) whose first calves are on the ground and are demanding top dollar in the marketplace. Polled Smoke has become extremely popular due to his color, polled status, and pedigree. The purchase of this embryo package could place your operation at the “front of the pack” as the resulting offspring will combine some of the most proven & popular genetics, dark color, and be polled. Don’t miss this opportunity!!!

La Muneca – Flores Cattle Co. is selling a package of three female sexed embryos with a guarantee of one 60 day pregnancy if the embryos are implanted by a licensed technician. If no pregnancy is achieved with the first three embryos then one final embryo will be released.

**SANTA ELENA RANCH OPENED UP THE GATES!!
THEY LET CHRIS SHIVERS SELECT THEIR DONATION
FOR THIS SALE AND SHE IS AMAZING!!!**

Look at the depth of rib, muscle, length of body, levelness and femininity that she combines. Not only do you have to appreciate the phenotypic superiority of this female but she is backed by some of the most proven genetics from the 66 year old legendary operation. The sire to 25/2 is +VL Rojo Apache 1/50 who is one of the most proven sires in the breed due to the success of his progeny around the world. Apache has sired a National & International

BW	2.6	WW	28	YW	42	MILK	8
----	-----	----	----	----	----	------	---

Champion Get of Sire in addition to the 2017 International Champion Female which both helped him reach Register of Renown status. The dam to VL Elena 25/2 is VL Elena 117/4 who is a proven donor with 22 progeny and a full sister to the proven donor +VL Elena 165/4 and the 2007 International Champion VL Elena 155/4. Study the genetic profile of 25/2 and you will see that she charts positive for the traditional performance traits of WW, YW, and Milk.

**DON'T MISS THIS RARE OPPORTUNITY TO PURCHASE A
FEMALE THAT COMBINES THE ESSENTIALS OF PEDIGREE,
PERFORMANCE, AND PHENOTYPE!**

RARE SEMEN PACKAGE ON ONE THE BREED'S MOST INFLUENTIAL SIRES!

+Mr H Maddox Manso 684 has been one of the most popular and proven sires of the past 17 years due to the success of his offspring in the USA and abroad. In his first calf crop he sired an International Champion Female and followed up in 2015 and 2021 with sons being named with the highest show honor. It should also be noted that +Maddox has been recognized with BOTH National & International Champion Get of Sire titles which is an indication of the consistent quality that he sires. +Mr H Maddox

BW	2.6	WW	23	YW	33	MILK	6
----	-----	----	----	----	----	------	---

Manso 684 has been recognized as one of the most influential sires in the breed due to the over 800 registered progeny in the ABBA that includes countless impact sires and dams. Not only has Maddox been recognized as a "Sire of Champions" but he is also known as one of the leading bulls for carcass quality in the breed ranking in the top 1% for Marbling EPD and 1/3 for Ribeye Area. Don't miss this opportunity to purchase a rare semen package on one the breed's most influential sires.

PASQUALE SWANER: 254-723-6438 - redstroke522@aol.com

+SRS Redstroke 522 is a legend in the Brahman world. Over the last 20 years "Redstroke" has heavily influenced American Red Brahman Genetics in the US and strongly throughout South America. Many would say he's one of the greatest producing sons ever sired by +Sophisticated Millionaire 80/3. In the 2000's Redstroke's Get of Sire went undefeated for 3 consecutive years at the National & International Brahman Shows and in 2008 was awarded the Champion Get of Sire at the World Brahman Congress. He produced numerous national and international champions in the USA as well as in various countries throughout the world. His females are known for being some of the most functional and productive Red Brahman cows and are sought after by top cattlemen. "Redstroke" will add breed character, bone, rib shaping and will inject strong maternal value into your program.

+SRS Mr. Pasco 812 is one of the most proven sires in the Brahman breed due to the success of his progeny. This impressive bull was named as the 2006 Reserve National Champion. Soon after receiving this recognition, he was lost due to an accident. Fortunately, a limited amount of semen was collected and as a result only limited progeny been registered with many of these being show winners to include the former National & International Champion, "Champion of the World", and dam to the 2020 Reserve International Champion, +CT Lady Pasco Rhineaux.

The superior siring ability of Pasco should come as no surprise as his sire is the legendary +Mr. 3X Maxmillion-Aire56 who sired a National and International Champion Cow, numerous Division Winners, 5 Register of Renown animals, and 1 Maternal Merit Dam. The dam to Pasco is +SRS Ms. Sweet Emotion 735 who is considered to be one of the greatest cows for Swaner Brahmans EVER and is also the dam to the 2009 National Champion, BB LP Enchanted Moment.

JIM WILLIAMS: 979-533-1279 - jim@v8ranch.com

MISS V8 594/9 REPRESENTS A PIECE OF OUR FUTURE - SOMETHING WE PLANNED TO HAVE BUT WON'T.

It is with a great deal of pride that we offer her to you for this historic occasion. Here is a great genetic breeding piece. Following our belief that "the magic is in the cows," we focused on linebreeding and stacking standout females. In her case, Miss V8 594/9 is double-bred to +Miss V8 410/6, a cow highly recognized in the breed. She was featured on the cover of The Brahman Journal and produced herd sires Mr. V8 85/7 "Ocho Cinco," Mr. V8 756/7 "Megastroke," and Mr. V8 903/8 "Omega," along with 14 V8 donor females who are either her daughters or granddaughters. This cow family's influence on our program is significant, year after year. Miss V8 594/9 is sired by Mr. V8 715/7, a direct son of +Miss V8 410/6 and +JDH Sir Avery Manso 159/7. Her

BW	3.3	WW	32	YW	53	MILK	7
----	-----	----	----	----	----	------	---

dam, Miss V8 411/8, is a former show cow for V8, sired by +Mr. V8 380/6 and out of a direct daughter of +Miss V8 410/6 and the Maternal Performance Sire, (=)Mr. V8 332/4. These ancestors give her standout growth and maternal EPDs: top 10% for WW, top 15% for YW, and top 10% for Total Maternal. She's also in the top 1% for tenderness and marbling. From a looks perspective, she's got it all. Straight from our showbarn and a 2022 National Show Class Winner, she's a prime example of what a front-pasture female should be. With excellent breed character, a level topline, and plenty of style, balance, and femininity, her new owner will enjoy owning a female with her quality and genetics. They don't come around that often. Sells open, but exposed to JDH Adebén Manso 127/8 ET.

V8 Ranch retains the right, though may not exercise this right, to perform one embryo flush at the buyer's convenience, yielding a minimum of six grade one transferable embryos.

Mr. 7R Butch Cassidy was the 2023 International Reserve Grand Champion Bull, the 2023 Kick Off Classic Grand Champion, and has garnered a number of other championships making him a contender for the ABBA Show Bull of the Year and National Champion titles. There is no question that you have to appreciate the power that this bull possesses being heavy boned, huge ribbed, beefy, long, level, and attractive.

In addition to his outstanding phenotype Butch Cassidy offers an impressive performance profile ranking in the top 15% of the breed for Growth & Marbling as well as a unique pedigree. The sire to Butch Cassidy is sired by the

BW	5.5	WW	30	YW	50	MILK	5
----	-----	----	----	----	----	------	---

many time winning show bull for J.D. Hudgins, Inc., JDH Mr. Crush Manso, and out of JDH Lady Manso 929 "The WOW Cow". The dam to Butch Cassidy was a former show heifer for Lily Read and is a daughter of Mr. CB Hector, one of the top sires in the breed with numerous winning and influential offspring, and out of a female that combines +TJF Mr. Smokin Gun with the National Champion Lady H Beth 301. Don't miss this opportunity to purchase a young sire that has the potential to be an influencer!

WATKINS CATTLE COMPANY

STUART WATKINS: 512-460-7250 - Watkins.stuart@gmail.com

This particular outcross represents a proven mating from Watkins Cattle Company. +Mr. WCC Maximus Rojo 82/4 combined with the BB Bronson's Hurricane 1/11 donor has consistently put cattle behind the backdrop for Bailey Petrek with Miss WCC 499/1 (pictured) and Wyatt Landry with Miss WCC 490/1 (pictured). Another full sibling to these embryos Miss WCC 495/1 sold to the Salcedo's of Guadalajara, Mexico and is a cornerstone in their red herd. The 1/11 cow also produced the Reserve Grand Champion Embryo Produce of Dam at the International Show in 2019. Additional daughters like Miss WCC 150/5 and Miss WCC 282/7 are top producers in our herd. We think MAXIMUS combined with the +Mr. 3H X-Ray 825 line through BRONSON 299 is a home run every time!

Watkins Cattle Company does not sell sexed female MAXIMUS sired embryos in the United States or to foreign countries. However, Carson and Stuart decided to make an exception to support ABBA's 100th Year Anniversary. Offering 3 Female Sexed Embryos and Guaranteeing one 60 day pregnancy if implanted by a licensed technician.

Buy this lot with confidence to increase the quality of your red Brahman program or add show ring appeal. The resulting offspring from these embryos can either wear the buyer's brand and prefix or the "W" brand and "WCC" prefix, something never before offered from Watkins Cattle Company. Embryos were created and are stored at Trans Ova Genetics in Bryan, Texas.
