Dear Brahman Breeders:

Dear Brahman Breeders:

I am extremely honored to invite you to the 2024 Deep South Brahman & F-1 Sale. I have worked very hard to put together an outstanding lineup of cattle. This sale offers something for everyone. This year's offering was again assembled with a focus on quality and diversity. As you read through this catalog, you will quickly realize that the consignments represent elite genetics from some of the premier breeders in the U.S. Beef Industry.

The value in Brahman & F-1 cattle is being realized in expanded areas due to their efficiency and adaptability. Due to this, the F-1 female and Brahman influenced cattle are selling at an all-time high. It is expected that as a result of these females selling so well that breeders will "freshen" up their Brahman genetics in the next year which will drive up the price of the Brahman female. If you are interested in expanding your operation, NOW is the time to purchase seedstock cattle to get ahead of the expected increased prices.

Although this event provides an opportunity for breeders to buy and sell cattle it also serves as a great time to fellowship and meet with other breeders. We hope that you are able to attend the dinner on Friday night at 6:00 PM. We will have donuts & coffee on Saturday morning and then a complimentary lunch prior to the sale. Plan to be with us for what will be a great time!

If you are unable to attend the sale you can watch it online and bid through Cattle in Motion, www.cattleinmotion.com). If you have any questions, feel free to give myself or the consignors a call.

Regards,

Chris Shivers

PB Daisy 105/2 (P) is smooth polled and backed by some of the most PROVEN & POPULAR genetics in the breed. The sire to Daisy is Nioka Pablo the Australian Homozygous Polled Sire that has been extremely popular in the USA with close to 100 calves being registered over the past two years. The dam to Daisy is a daughter of LMC LN Polled Pappo 136/6 who is the most popular Red Brahman Sire in the world due to the success of his offspring and out of LN Polled Rayne 191/1 (P) who was the top polled donor for La Negra Cattle Company that recently sold to Drake Farms. The two most popular demands in the Brahman breed today are POLLED & RED of which Daisy fits BOTH. Study this female and the genetics behind her and we think you will agree this is a special opportunity!!

PB Dallas 115/2 (P) is a stout Breeding Age Polled Red Bull. Dallas is sired by a former show bull for Smith Brahmans who was named a reserve division winner at the All American. The dam to Dallas is a daughter of LMC LN Polled Pappo 136/6, who is the most popular Red Brahman Sire in the world due to the success of his offspring, and out of LN Polled Rayne 191/1 (P). It should be noted that LMC LN Polled Helena 132/9(P) is one of the most proven dams for Pinnacle Brahmans, the dam to two of their homozygous show heifers, and produced lot 1 in this sale validating her superiority. To further add value to this sire is his 65 lbs. BW and Growth figures that rank in the top 40% of the breed.

One of the hottest things in the Brahman breed today is the color BLACK! We are offering this female due to not only her popular color but quality. Miss Polled Sandglass 87/3 (P) is backed by one of the most proven polled pedigrees in the breed but is an outcross to many of the popular lines and especially those that are black. Her sire is LMC Polled Sambo who ranks as the #3 sire in the ABBA for registered progeny with many of these being breed influencers. The dam to 87/3 is owned by Phillip Cattle Company and combines two of the most proven Register of Renown polled sires in the breed to include +LMC LF Ambassador (P) & +JME Mr. Suva Crat 225 (P). To further add value to this female she ranks in the top 1/3 of the breed for Growth & Marbling EPD's. This female has not been tested for Homozygous but stands a decent chance of receiving the designation

This female is one that is super special! Yes, she does carry the polled gene being scurred but is backed by a proven pedigree and an outstanding genetic script that charts positive for Growth, Milk, Ribeye Area, and Marbling EPD's. The sire to 172/3 is LMC Polled Perfecto 87/8 who we purchased from La Muneca Cattle Co. in the ABBA Performance Tested Bull Sale. As you can see in this sale his offspring are practical in their build with a high polled ratio. The success of Polled Perfecto should not be surprising as he results from a half brother x half sister mating with the foundation polled herd sire LMC WFF Pistolero being the grand sire on both sides. The dam to 172/3 was our pick of the Underwood

Ranch 2019 polled calf crop that is sired by the former V8 Ranch show bull Mr. V8 794/7 and out of a proven donor. This is a female that should be retained due to her meeting the essentials of POLLED, PERFORMANCE, PEDIGREE, AND PHENOTYPE but when we come to

Mississippi we bring our best!

Miss Sandglass 167/3 is backed by a straight J.D. Hudgins pedigree. For starters her dam is proven as evidenced her producing this female and lot 8. JDH Lady Manso 299/1 is a daughter of the National Champion +JDH Mr. Manso 840 "The Graduate" and out of one of the most maternal bloodlines at J.D. Hudgins. The sire to 167/3 is our herd sire who was previously used by J.D. Hudgins, Inc. JDH Mr. Caine Manso 742/7 is sired by JDH Massai Manso who is one of the most proven sires in the United States and Australia most recently siring the TWO TIME International Champion JDH Massai Tradition Manso. Based on her phenotype and pedigree this female should be an outstanding breeding piece for any progressive operation!

Study this breeding piece! To create this phenomenal POLLED female we mated our polled sire LMC Polled Perfcto 87/8 to one of our top J.D. Hudgins cows. You can study the influence of Perfecto in several lots in this sale. We are extremely pleased with this sire and think he is one of the top polled bulls in the breed based on the success of his progeny in the show ring & marketplace. JDH Lady Manso 230/1 was one of our picks in the J.D. Hudgins-Forgason Cattle Company herd. We like 230/1 due to her fertility, outcross pedigree and dam that produced a herd sire and two successful show heifers. It should be noted that we have donored 230/1 and retained a daughter. For those that are looking to increase the carcass quality of their herd you will appreciate that 52/2 charts positive for both REA & Marbling EPD's.

Whoa! Do not miss this genetic opportunity. Several years back we purchased the dam to 38/2 from Heritage Cattle Company. This regular calving cow is sired by JDH Monroe Manso and out of a proven donor that is owned by Heritage Cattle Company and Carlos Lee that combines performance with productivity. The sire to 38/2 is +Mr. H Breaker Manso 103/7 who was a former show bull with division wins at both the National & International Shows. Following Breaker's successful show career he has become one of the breeds most proven sires due to the success of his offspring accumulating wins in ABBA Approved Open Shows which helped him achieve Register of Renown status. Breaker is sired by the International Champion and Performance Trait Leader +Mr. V8 960/5 and out of a top daughter of the Vanguard Sire (+)JDH Sir Liberty Manso and one of the most maternally oriented females in the breed. Ranks in the top 1/3 of the breed for the valuable traits of Growth, Milk, and REA EPD's.

Beautiful female that comes backed by proven genetics is how you best describe this female. 169/3 is the first natural calf out of the top selling cow in the Circle F Farms Fall 2022 sale. Miss Circle F 634/0 is a royally bred female that is by a former J.D. Hudgins show bull who topped their online sale and out of a V8 cow that is by the #1 Register of Renown Bull in the breed +Mr. V8 380/6 and out of the dam to the ONLY three time International Champion +Mr. V8 146/8 "Sloan". The sire to 169/3 is JDH King of Clubs who has been one of the most widely used sires in the breed due to his ability to produce sexed semen as well as the functionality of his offspring. As you might expect from such a well bred female 169/3 charts positive for BW, WW, YW, Milk, and REA EPD's. This is a real herd infleuncer!

A genetic masterpiece is how you might start describing this female! For starters her sire is Mr. H Titus Manso 122/7 who is best known as the sire to RedSmith Weller Manso 46/2, the leading ABBA Show Bull of the Year, and others. It should also be known that Titus is one of the most performance-oriented bulls in the breed that is sired by +JDH Mr. Manso 854/4 and out of +Lady H Principe Sweet who is the dam to an All American Champion and a granddam to an International Champion. The dam to Tiffany is a proven polled donor for RedSmith Genetics that is by the popular polled sire LMC WFF Pistolero and out of the \$44,000 SRS Polled Katie. To further add value to this polled female she is progressive in her performance profile charting positive for BW, Milk, REA, and Marbling.

107/3 is a flushmate to lot 14. You can see many of the same characteristics in these two females. We think this is an extremely good mating combining the top genetics in the USA and Australia. Several years back we along with J.D. Hudgins-Goudeau Division, and Lance Wedgeworth purchased an USA exclusive on Darrocca. We have all used him with great success. The dam to 107/3 is a daughter of the proven sire LMC Polled Madison that has produced some of the most influential cattle in the breed. If you are interested in breeding polled cattle that will be an outcross to many of the popular bloodlines in the USA give this female special consideration!

Full sister to RedSmith Letty Manso 41/2 who was a many time champion. When we find a mating that will work we like to stay with it and that is how Cher was created. The dam to this outstanding female is the Register of Renown and proven donor +Lady H Lou Manso 17/7 who is by +Mr. H Maddox Manso 684 and out of a daughter of the Vanguard Sire (+)JDH Sir Liberty Manso. The sire to Cher is Mr. H Asher Manso 158/8 who has done us and many others a great job with award winning offspring. Asher is a son of the International & World Brahman Congress Champion and dam to +Mr. V8 191/7 & +Mr. V8 194/7 and then by the proven sire JDH Expression Manso. To complete this impressive package Cher ranks in the top 1/3 of the breed for Growth, Ribeye Area, and Marbling EPD's.

You have to like the broodiness of this former show heifer that sells bred to Mr. Polled Don 1 (P) #950312. Lorely is sired by Mr. V8 381/8 "Big Boom" who has sired winners at all levels and is a flushmate to the Reserve National Champion and proven sire BRC Dutton 376/8. The dam to Lorely is a RB Ranch cow that combines some of the most proven and exclusive genetics from J.D. Hudgins. This female should produce fast growing and heavy muscled offspring based on her genetic predictors.

You are likely wondering how we swung this lot! Hollow Oak Farm is selling off their grey cattle and as a result consigned this show heifer. Certainly, she has the look to be competitive but let's consider her breeding value. She is polled. She is by a proven herd sire that combines two of the most important animals at La Muneca Cattle Company to include LMC LN Polled Pappo whose success has been seen around the world and LMC LF Polled Spirit 185/7 who Carlos Guerra considers to be the best female they have ever raised. The dam to Cardi B is the most proven donor for Hollow Oak Farm that came from La Muneca Cattle Co. and results from crossing the former show bull and popular polled sire Mr. V8 794/7 and one of the top donors for 4F Cattle Co. To complete this package Cardi B ranks in the top 25% of breed for Growth & Milk. This is a BIG TIME opportunity!

MISS 3Z ATARI RINGER 60

Miss Dana Baker is a ¾ sister to lot 53 validating the success of this mating. One of the strengths of this mating is the performance that ranks in the top of the breed for ALL of the essential traits to include BW, WW, YW, Milk, REA, and Marbling EPD's. As might be expected Dana is by JDH Nephew Manso 556/9 a son of JDH Otis Manso and out of a daughter of JDH Beckton De Manso who is known globally for producing superior offspring. The dam to Dana was retained as a heifer by Baker's Brahmans and is by their herd sire Mr. V8 149/8.

Miss Tyler Martha 295 is a show heifer prospect that is well balanced, heavy muscled, and has that stylish V8 look. You must search hard to find a pedigree with more influential animals than what is backing Martha. She is sired by our senior herd sire that is owned with V8 Ranch, Mr. V8 575/7. Miss V8 952/6 is one of V8 Ranch's all time top earning cows. I will call special attention to Martha's dam. Miss J&M 168/7 is a Powerstroke 777 X =324/2. 168 is a rare female in the Brahman breed as she will have her fifth natural calf before her seventh birthday. Martha is started on a halter and will make a great show prospect or replacement female. As you evaluate her, feel confident in adding her to your herd, as she will be a top producing female backed by an awesome pedigree.

Tesla is a 10 month old bull calf that we think has a bright future. You have to appreciate his performance profile that indicates his offspring should be growth, milk well, marble. The sire to this bull is Mr. V8 85/7 "Ocho Cinco" who was a many time show winner, a flushmate to a Reserve National Champion, Maternal Brother to "Megastroke", by the famed +JADL Rey, and out of +Miss V8 410/6 who is one of the all time top cows at V8 Ranch. His dam is a donor for us that was purchased in this sale that originated from J.D. Hudgins, has produced a herd sire that we retained, and is backed by proven but outcross genetics to many of the popular bloodlines.

GENETIC EXCELLENCE is how you best describe this female! Where do you start describing her?? The dam to Pasco Chanel is the National & International Champion, ABBA Show Cow of the Year, and dam to the 2024 International Champion and 2020 Reserve International Champion Females. You likely already know who Pasco Rhineaux is but if not her dam is the #1 ABBA Register of Renown Cow while her sire was a Reserve National Champion who died an early death, has limited progeny, and semen value is at \$11,000/straw. The sire to Pasco Chanel is LMC LN Polled Pappo 136/6 who is the most PROVEN polled red Brahman sires in the breed based on the success of his offspring in the show ring and marketplace. Don't miss the opportunity to purchase an AMAZINGLY bred POLLED red Brahman female that charts positive for the essential traits of BW, WW, YW, Milk & Marbling EPD's. Sells bred to a Registered Charolais or Brahman bull Mr. K Switch 04 #1003248.

+ LADY HERITAGE MANSO 173

Don't discount these cows because they are bred to a Hereford bull. Jade has the quality and pedigree to be in an upscale Brahman herd. She is a daughter of JDH Sir Kozmo Manso 93/5 who was used by J.D. Hudgins and is a full brother to JDH Hero Manso that was purchased by North 40 Ranch. The dam to Jade is by the International Champion +Mr. V8 960/5 and out of a full sister to +Mr. H Maddox Manso 684! Look at the Growth & Ribeye EPD's on this female that rank in the top 10%. Sells with a bull calf born February 20, 2024 by a Registered Horned Hereford Bull.

Deep South Brahman & F-1 Sale Terms & Conditions

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder.

TERMS: All cattle will be paid for immediately after the sale. Checks must be made payable to Meridian Livestock, Inc.. Upon sale of each lot there is a contract between buyer and seller and any misunderstanding, confusion, or dispute that may arise must be settled between buyer and seller. Sale management shall have no responsibility or liability. **ALL SALES ARE FINAL.**

DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

HANDLING: As their sale is affected, all animals will be maintained at the purchaser's risk.

REGISTRATION CERTIFICATES: The sale management will transfer the registration certificate to the new owners membership with the American Brahman Breeders Association within 30 days of the sale.

CATTLE TO BE EXPORTED: Animals that are sold for export must be paid for at the time of the sale. It will be the responsibility of the purchaser of these cattle for export to make arrangements with the seller for the care of the animal after the sale. The Deep South Brahman Sale will place the cattle in the care of the consignor for the new owner at the price of \$8.00 per head per day (paid by purchaser) until they are shipped.

BREEDERS GUARANTEE: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pairs and bred females will be considered breeders without further guarantee. Buyer has 30 days from the date of the sale to have an accredited veterinarian check pregnancy status of bred females. Open or exposed females will be guaranteed by the seller to be a breeder for a maximum of one year following the sale date or for young heifers until they reach two years of age. If an animal fails to breed during the previously established time limit, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a nonbreeder, an animal of comparable rank or credit on the purchase of another animal will be offered. If heifers are aspirated prior to being bred there is NO breeding guarantee. All bulls over 18 months of age will be sold with a Breeding Soundness Exam, Trichomoniasis Test/Virgin Statement, and guaranteed to be breeders. If after a six-month period said bull has not settled any cows the bull can be returned for a bull of comparable rank or credit on the purchase of another animal. If cattle are purchased for foreign export, cattle are sold "As Is" and the buyer will take full responsibility of animal, unless prior agreements are made before final bid is made.

HEALTH: All necessary health papers will be furnished in order for the cattle to be shipped anywhere in the United States. Any international shipments and protocols will be the responsibility of the buyer.

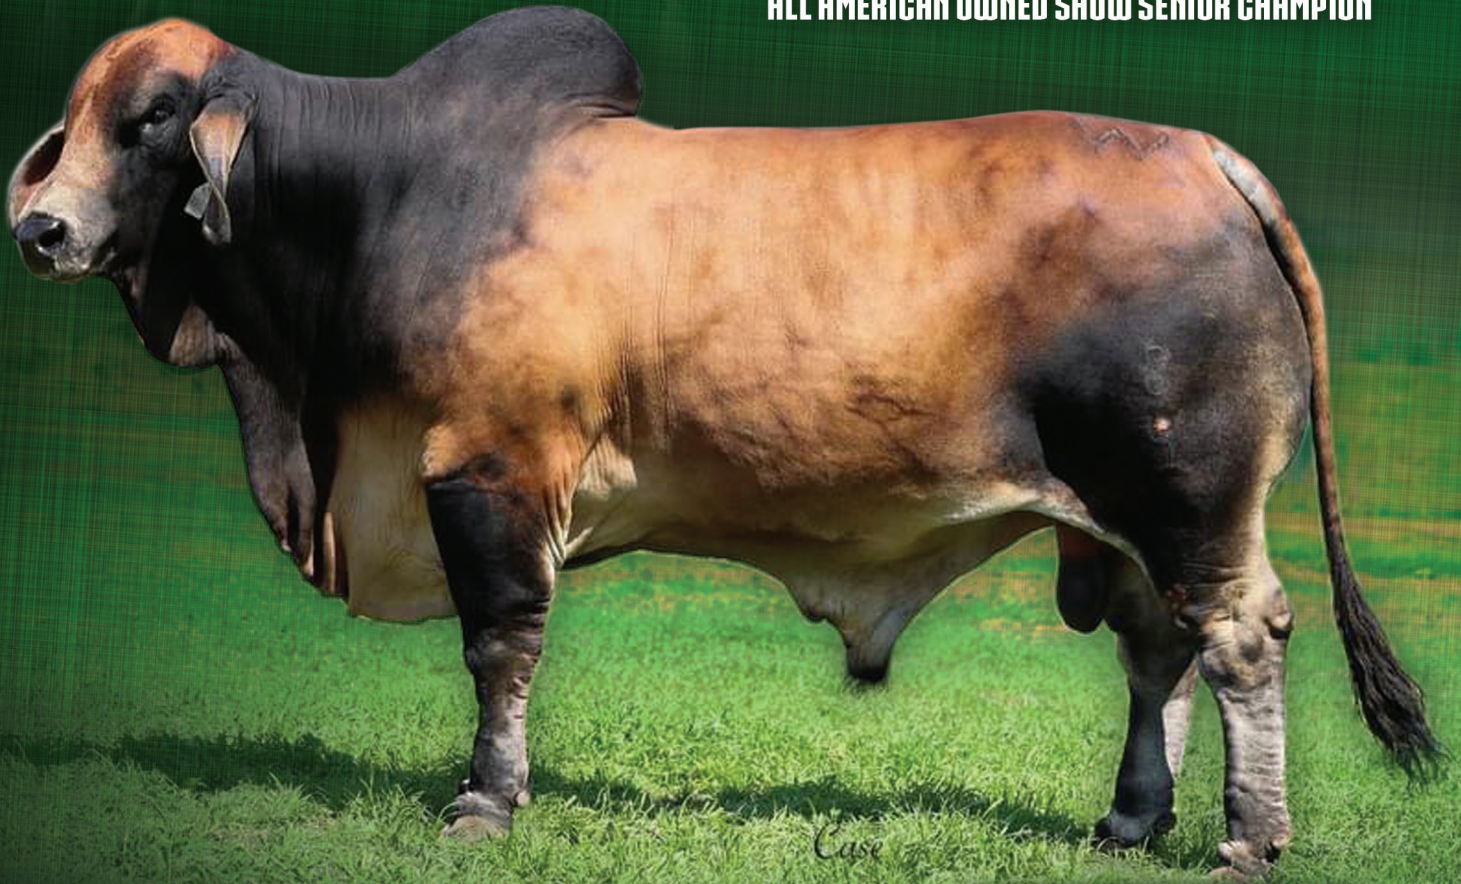

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the sale do so at their own risk. Meridian Livestock, Inc., and Infinity Cattle Services assume no liability, legal or otherwise, for any accident that may occur. Infinity Cattle Services or Meridian Livestock, Inc. accepts no liability for the animals after they are sold.

TRANSPORTATION: It is the responsibility of the buyer to make all shipping and transportation arrangements. Transportation services will be offered on the day of the sale.
